HONOR THY FATHER AND THY MOTHER ...

The sole purpose in publishing this book is to help others in their search for genealogical data, and to record information that others may use.

It is the earnest desire of those who have contributed time and effort that this little book may prove of interest, not only to those whose names are listed therein, but to any one who may happen to turn its pages.

Please, if you have, or know where you can find information which may help any of the members listed, won't you take a few minutes of your time to help a fellow researcher? Your efforts in this way will be greatly appreciated.

Sincere thanks go to the following for their unfailing assistance and support:

Mrs. W. F. Dunlap  
Mrs. Carol Lind
